

Docucart #D47 Book Cart

Book cart designed to work in small aisles.

Docucart #D47 Book Cart was designed for library applications and around the specific needs of working throughout the collection and within the aisles with convenience and ease of movement. Providing 47 linear storage inches (easily accommodating 35-40 standard books).

Two large storage shelves to accommodate multiple size books. Construction is $\frac{3}{4}$ " wood core materials with durable high pressure laminate on all surfaces and $\frac{1}{8}$ " thick PVC edge banding to provide durability and long life. Supporting high quality construction only Hafele connecting brackets are used ensuring structural strength. Casters are high quality "non marking" polyurethane material which provides easy movement on carpet and hard surfaces. Standard wheel configuration is four swivel wheels for ease of movement in close quarters.

The Docucart #D47 comes fully assembled and ready for use.

Dimensions: 36"H x 14.75"D x 25"W

Weight: 50 lbs.

Caster: 3"

Shelf sizes: top and middle 14.25"D x 23.5"W
