

Docucart #D70S Security Cart

Easy access to files.

Adjustable dividers for media support

Security with key lock.

Docucart #D70S is the only security records file cart on the market to provide features that filing personnel need in order to easily and efficiently gather, distribute, sort, transport and file records in an office environment. Providing 70 filing inches (as much as a 3 drawer file).

Security via a high quality aluminum Tambour roll up locking door with a double locking rod (locks into both sides of the door access). The torsion spring assisted roller unit creates an easy up / down movement for the door system. Bottom section of the door has a handle and keyed lock system that latches into the side guide rails.

Tiered shelves allow clear visibility of all file titles, making reading file labels easy and allowing quick and convenient file access.

The perfect solution for applications where multiple files need to be secured at a "point of use" (by a work station) or left in an unmanaged area.

Letter size, with 3 shelves and 4 adjustable dividers per shelf with 5" spacing adjustability. Shelves are tilted back 5 degrees to add security for files in transit. The Docucart top provides a large work surface area for users. Construction is ¾" wood core materials with durable high pressure laminate on all surfaces and 1/8" thick PVC edge banding to provide durability and long life. Supporting high quality construction only Hafele connecting brackets are used ensuring structural strength. Casters are high quality "non marking" polyurethane material which provides easy movement on carpet and hard surfaces. Standard wheel configuration is one fixed wheel and three swivel wheels for added control and guidance. Optional 4th swivel wheel for total maneuverability in restricted areas is also available.

The Docucart #D70S comes fully assembled and ready for use.

Dimensions: 47.75"H x 19"D x 25.25"W

Weight: 110 lbs.

Caster: 5" (3 swivel and 1 fixed)

Shelf sizes: top and middle 9"D x 23.5"W
bottom 12"D x 23.5"W

Clear Shelf Opening for Media Storage: *top shelf 15.25"D x 10.5"H
*middle shelf 14.25"D x 10.5"H
